Manager Help User Guide

In the manager dashboard you will see buttons for allowing a manager to alter the inventory, customers, generate reports, edit discounts, and a message that appropriately shows up only when an item(s) need to be restocked .

Manager Dashboard Contents

1. **Close Button**
   The close button will return you to the Login screen and log you out of your account.

2. **Inventory Button**
   The inventory button will take you to the inventory screen.

3. **Customer Button**
   The customer button will take you to the customer screen.

4. **Reports Button**
   The reports button will take you to the reports screen.

5. **Edit Discounts Button**
   The edit discounts button will take you to the discounts screen.

6. **Restock View and Refresh Button**
   The restock view will only show up when an item needs to be restocked. The refresh button will refresh the view.
