Inventory User Guide

In the inventory screen you will see input fields for each column in the inventory and a view for all the items.

Inventory Screen Contents

1. **Close Button**
   The close button will return you to the manager dashboard.

2. **Edit Button**
   The edit button will apply all changes made in the textboxes.

3. **Add Button**
   The add button will add a new item made in the textboxes.

4. **Inventory View and Text Inputs**
   In the inventory view you can see all the items in the inventory. By selecting an item the text boxes in the bottom will be updated and allow changes. Applying the edit will apply all changes to the inventory.
